Mr. Roger Hilaman, Director
Bureau of Intelligence and Research
Department of State
Washington 25, D. C.

Dear Mr. Hilaman,

We had the pleasure of having Mr. Jack Friedman, recently returned from a tour of duty in Hong Kong as the Publications Procurement Officer, at the 6 June meeting of the USIB Committee on Procurement of Foreign Publications.

Our Committee had expressed its appreciation of Mr. Friedman's efforts on behalf of the intelligence community earlier in a formal communique which resulted in Circular Airgram 98, dated 7 February 1961. I wish to re-emphasize the satisfaction of the Committee for a job well done by Mr. Friedman.

Sincerely yours,

Chairman, Committee on Procurement
